

# Did You Know?

- Americans throw away **25 billion** Styrofoam cups each year. Styrofoam is **UNRECYCLABLE!**
- Americans use **14.4 billion** disposable paper cups. These cups wrap around Earth 55 times & weigh 900 million lbs.

## We Challenge YOU!

Switch to Mugs! If you use 5 fewer disposable coffee cups each week, you will reduce your CO2 emissions by 1.25 lbs per week.
