P.R.I.D.E. stands for **Positive Racial Identity Development in Early Education** and coordinates seminars and events that help guide parents on how to address the topics of race, colorism, discrimination, and feeling pride in themselves and their Black identity when teaching their children.

The **YWCA Greater Pittsburgh** has been trained by The University of Pittsburgh and **P.R.I.D.E.** to host a series of 6 monthly seminars in the Multipurpose Room at YWCA GP Education Center (Homewood), presented by **Early-Learning Director, Cheryl Smith.**

Childcare will be offered to all attendees for the duration of each seminar.

Complimentary **refreshments** will be available to all those attending the event.

All attendees will also be entered in a giveaway drawing.
